2-4 October 2020. ONLINE

# Letter from Joseph Chircop

Dear brothers and sisters,

It is with pleasure that I welcome you to the Servants of Jesus 25th anniversary - Share the Holy Spirit Conference. We have been blessed over the years to have a variety of great speakers minister to us at previous conferences and this is a testimony of Gods goodness.

The theme for this year is Arise - Isaiah 60:1,2 and how important is it now for the church to arise and shine in such times that we face.

Whilst acknowledging the conference cannot function in its face to face format, the leaders of The Servants of Jesus Community consider this an unprecedented opportunity, in God, for a shorter online alternative that would still allow us to connect.

Wherever you are viewing, we hope this booklet allows all participants to engage with the Holy Spirit through booklet questions and personal prayer.

Speakers include John & Carol Arnott, Mike Pilavachi, Dr Mary Healy, Dan Almeter, my wife Julie, and myself. A program is included in this booklet. Talks will be available online for a week after the conference.

For those who have been with us before at the previous conferences, thank you. I trust we can all be involved in this 'new way' of doing Share the Holy Spirit Conference - 2020.

May you be blessed with your participation with the conference.

Joseph Chircop

# PHONE MINISTRY

---

**After talks 2 and 5** there will be an opportunity to respond to the talk through prayer ministry. You may feel the need to gain support through corporate prayer or be responding directly to a 'word' that has been shared from our Ministry Team.

During the conference we will have a team ready and available after these talks to pray with you and for you in response to the talk or a prophetic word.

When you call to book in ministry, the team will ask you for your name and phone number so they can call you back. You will also be given a time when the ministry will commence.

To receive ministry over the phone, please call **(02) 9624 3322** or **9624 8866** and we will take down your details and call you back.

Email **[prayer@servantsofjesus.org](mailto:prayer@servantsofjesus.org)** with testimony or any further prayer requests. We will pray for you for 2 weeks.

# Talk 1

**SPEAKER:** John & Carol Arnott

**TOPIC:** The Coming Revival

**TIME:** 10am

**BEFORE THE TALK:**

*In the midst of fear, conflict, and unrest, a great Kingdom light is piercing through the darkness. Since the Day of Pentecost, this light of Holy Spirit outpouring has been increasing in brightness and will soon break forth in an unprecedented outpouring of supernatural glory.*

*(Preparing for the Glory - John & Carol Arnott)*

**AFTER THE TALK:**

How has this talk shifted you in preparing for the coming revival?

What will you now do, believe in and /or pray for that you did not do beforehand?

The Arnott's are well known for honouring and releasing the presence of the Holy Spirit. Can we too, as believers, let our life be a resting place for the Holy Spirit in this hour of His glory, presence, and miracles?

# Talk 3

**SPEAKER:** Dan Almeter

**TOPIC:** Reflecting the Glory of God

**TIME:** 2pm

## **BEFORE THE TALK:**

*You have been created to reflect the Glory of God. What was lost through the fall, a deep union with God, has been restored through Christ.*

Today, Daniel Almeter presents both a theological and experiential understanding of the gifts of the Holy Spirit, as described in Isaiah 60:1-2. These gifts are a free initiative of God and cannot be obtained through our own human effort, we must humbly receive these gifts from the Father.

As you watch this talk, listen to the real-life examples Daniel shares from his own journey with God. Consider what God might be trying to say to you through Daniel today.

## **AFTER THE TALK:**

*At some stage, we encourage you to discuss these questions and your responses with a friend, pastor or small group.*

1. Has your understanding of the gifts of the Holy Spirit and the role they play in your life changed after hearing this talk? If so, how has it changed and what can you do in response to God's prompting?
2. What do you think would prevent you from using the gifts of the Holy Spirit?
3. We encourage you to pray for at least 2 minutes. During this time, ask God to show you how you can respond to this talk. When you have finished, write down 3 practical steps you can take in response to this talk. i.e. ring someone you haven't spoken to in a while, pay for a random person's drink at the local coffee shop, spend an afternoon volunteering at a local charity outreach centre...

# Talk 3

**SPEAKER:** Mike Pilavachi  
**TOPIC:** Arise  
**TIME:** 6:30pm

## **BEFORE THE TALK:**

*“Arise, shine, for your light has come, and the glory of the LORD rises upon you. See, darkness covers the earth and thick darkness is over the peoples, but the LORD rises upon you and his glory appears over you. Nations will come to your light, and kings to the brightness of your dawn.”*

*Isaiah 60:1-2*

Mike Pilivachi reflects on the above passage from Isaiah, emphasising how God spoke to the people of Israel in the midst of their darkness, and likewise desires to speak to His Church today.

As you watch, look three ways in which Mike believes Jesus is speaking to the Church today, as well as three suggestions for how to pray in the spirit.

## **AFTER THE TALK:**

Mike notes that Isaiah was prophesying to the people of Israel when they were in exile, full of despair, in the midst of their suffering. Has God spoken to you in the midst of a trial? What was the outcome?

Paul the Apostle says in the letter to the Galatians, “After beginning by means of the Spirit, are you now trying to finish by means of the flesh?”. What do you think it means to walk in the flesh? Why do you think Mike emphasises the importance of continually walking in the Spirit?

Mike encourages the practice of the discipline of silence and solitude. Have you practiced these disciplines before? How can you include silence and solitude in your life?

# Community Care

For over 20 years now we have aided refugees, asylum seekers and disadvantaged families with children in Sydney.

We have also been active internationally, funding and taking part in community projects in certified developing countries.

## **60-70 FAMILIES**

The number of families presenting to the Refugee Outreach Program for assistance has increased by 65% in recent months 65-70 families regularly come to the Centre for free food.

## **COVID-19**

Our Hope Outreach Program has continued to provide a service to disadvantaged families during COVID-19 with a drive through hamper pick up service. Numbers have declined somewhat as many elderly couples and individuals have chosen to stay away either because they don't have a vehicle and or they don't want to risk getting COVID-19.

## Make a Difference

Join us in making real change, both locally and internationally.

### **\$80,000**

Community Care administered \$80,000 in emergency relief funds on behalf of the NSW Government in the 2019-20 fiscal year.

### **FOOD HAMPERS**

Community Care Refugee Outreach has regularly received food hamper donations from CityCare specifically for refugee families and 200 free hampers through Food Bank funded by the NSW Government. We have also been successful in tendering for two emergency relief grants this year totalling \$10,000 for refugee families.

# Talk 4

**SPEAKER:** Julie Chircop  
**TOPIC:** Arise  
**TIME:** 10am

## **BEFORE THE TALK:**

*“Arise, shine, for your light has come, and the glory of the LORD rises upon you. See, darkness covers the earth and thick darkness is over the peoples, but the LORD rises upon you and his glory appears over you. Nations will come to your light, and kings to the brightness of your dawn.”*

*Isaiah 60:1-2*

In this talk, Julie Chircop highlights the presence of God being revealed to His people. In the appearance of God’s light the hearts of His people are transformed. This transformation which occurs brings glory to the name of the Lord.

Jesus desires us also to experience this divine light and in turn to this see extraordinary change in our own hearts.

## **AFTER THE TALK:**

1. Julie speaks on the revelation of God to the people of Israel. Have you ever had such an awareness of the presence of God that led to a greater Fear of the Lord in your life?
2. This talk highlighted how God’s presence now rests in His people. How has this revelation of God’s new dwelling place impacted your life in a personal way?
3. What are some practical steps that you can take away from this talk which will enable you to better open your heart to the presence and love of God?

# Talk 5

**SPEAKER:** Dr Mary Healy

**TOPIC:** Arise

**TIME:** 2pm

## **BEFORE THE TALK:**

*Read: Isaiah 60:1-2*

*Take a moment to sit quietly and invite God into the room where you are watching, asking Him to lead you and illuminate the parts of the talk that He is presenting to you.*

Today, Dr Mary Healy reflects upon the spiritual state of the Church, by taking us through the book of Revelation when Jesus address the Church in Sardis.

Mary uses a number of illustrations to reiterate the importance of spiritual alertness. Consider how this could impact your own life.

## **AFTER THE TALK:**

Have you ever considered that it is possible to be an active Christian community, yet spiritually dead to God? How are some ways you can be active in service while still awake to God?

Mary says, "To be awake is a duty of a watchman", What do you think Mary means by this? and why is this important?

The very word for repentance means 'metanoia', or to break out of the way we understand things and to begin to understand with God's mind. Have you experienced this in your own life? What was the result?

### **Three ways we can stay alive**

Repent. Forgive. Buy oil.

# Talk 6

**SPEAKER:** John & Carol Arnott

**TOPIC:** The Soon Coming of Jesus

**TIME:** 6:30pm

**BEFORE THE TALK:**

*Read: Isaiah 60:1-2*

**AFTER THE TALK:**

It does not do to make preparations for this passing life while neglecting to prepare for the everlasting life that is to come.

How can we prepare for that limitless life and the unfathomable glory of God?

Can we identify personal barriers to this and personal enablers to enhance this?

Has God spoken to you in a personal way through this conference and if so, are there practical changes you can make in obedience to Gods word?

## Why Israel?

As Christians, we need to acknowledge our unfathomable debt to Israel and to always pray on the basis of that total indebtedness. The word Jew occurs eighty-four times in the Old Testament, and one hundred ninety-two times in the New Testament. On the other hand, the word Christian occurs only three times in the New Testament. You cannot fully understand the Bible unless you know something about Israel. And if you're confused about Israel, you're confused about the Bible.

## Living as Salt and Light

Many countries are facing possibly the greatest crises of their entire history. What a tragedy it would be if we Christians failed to make any positive effect on the needs of the nation in which we live! Yet victory is the destiny of God's people. Be part of His plan to transform your life, the lives of other people, and the very life of your country.

## GET MISSIONARIES

The organization is 'GET Missionaries', GET stands for 'Global Evangelical Team', and we are specifically supporting the 'India Missions Team' that are preparing to deploy 30 missionaries couples to plant a church in this next year.

GET sends in a group missionaries to a community to plant a church and see God's kingdom come and change that community. The strategy is to have a larger group missionaries working together in a single community rather than spread out and isolated. They have seen incredible fruit doing this.

## THE GOSPEL OF MARK

(CATHOLIC COMMENTARY ON SACRED SCRIPTURE)

There is an increasing hunger among Catholics to study the Bible in depth and in a way that integrates Scripture with Catholic doctrine, worship, and daily life. In October 2008, a meeting of the world Synod of Bishops scheduled by Pope Benedict XVI will focus on "The Word of God in the Life and Mission of the Church." Coinciding with that meeting is the launch of the Catholic Commentary on Sacred Scripture (C.C.S.S.), a series that responds to the desire of Catholics to access the living Word of God.

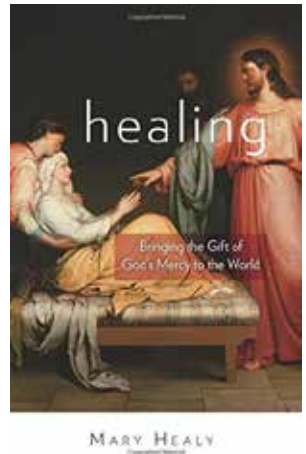

## HEALING

BRINGING THE GIFT OF GOD'S MERCY TO THE WORLD

*"Lord, I am not worthy to have you enter under my roof; only say the word and my servant will be healed." - Matthew 8:8*

When we, or a family member or friend, are faced with an injury or illness, physical or emotional, our thoughts turn to God in prayer for healing. We want to believe, as the Centurion did, that God will grant healing, but we wonder. And if we as Catholics have doubts, what does this mean to a hurting world, also in need of healing?
